Shen Yun Performing Arts is a New York-based nonprofit organization. Its mission is to revive 5,000 years of traditional Chinese culture. Shen Yun cannot be seen in China today.

EXPERIENCE

The Beauty of Ancient China Before Communism

CHINESE CULTURE, like other great civilizations of the past, believed that its greatest ideas, achievements, and qualities were divinely inspired. Shen Yun now brings this beautiful world destroyed by communism back to life.

EXPERIENCE

Exquisite Beauty & Inspiring Stories

SHEN YUN'S unique artistic vision expands theatrical experience into a multi-dimensional, inspiring journey through one of humanity's greatest treasures—the five millennia of traditional Chinese culture.

Enter a world where philosophers and poets alike sought harmony with the Dao, or “Way,” of the universe. Where maidens danced with ethereal grace and generals fought with explosive athleticism. Where timeless tales of valor and virtue were born. Where heaven and earth intersected, and even magic was possible.

Featuring one of the world’s oldest art forms—classical Chinese dance—along with patented scenographical effects and all-original orchestral works, Shen Yun opens a portal to a civilization of enchanting beauty and enlightening wisdom.

Prepare for an experience that will take your breath away.
